

WE USED TO BE COOL

We Used to Be Cool: Children, lies and videotape

Family, friends, the media, religion, social movements and other opinion-makers are constantly trying to sell us their solutions to puzzling life experiences. Kreutzer's film reminds us that these instructions have their limits, since no two persons can have the same background and experience. Therefore, We Used to Be Cool can serve as an entertaining and insightful platform for this generation and their parenting issues.
